

Cable tray and cable management rack manufacturers

Article Overview

Leading manufacturers of cable trays and cable management racks include Atkore, Cablofil (Legrand), Eaton, Snake Tray, and Ekabel24, offering a wide range of solutions for industrial, commercial, and data center applications.

Key Manufacturers

Atkore is a global leader in cable tray systems, providing a broad portfolio of solutions for indoor and outdoor cable management, including ladder and perforated trays, designed for construction and renovation projects . Cablofil (Legrand) specializes in wire mesh trays, ladder trays, prefab assemblies, and Cable Bus systems. Their products are modular, fast to install, and suitable for large data centers and industrial environments, with quick shipping and productivity-focused solutions . Eaton offers the B-Line series, which includes metallic, non-metallic, and fiberglass cable trays, ladder systems, and wire basket systems. Eaton emphasizes high strength-to-weight ratios, cost-effective installation, and extensive CAD/BIM design resources for engineers and contractors . Snake Tray manufactures cable trays and power distribution systems for data centers, solar installations, and transit projects. They focus on cost-effective, green solutions with stocked products across the US and 24-hour technical support . Ekabel24 provides a wide range of cable trays and ladders in hot-dip galvanized steel, stainless steel, and halogen-free plastic, compliant with DIN EN 61537 and international standards. Their products are suitable for industrial facilities, construction projects, and renovation work .
