

Dominic Molded Cable Tray Customization Price Inquiry

Article Overview

Dominic molded cable trays are available at wholesale prices ranging from approximately \$0.80 to \$76 per unit, depending on material, size, and purchase volume.

Price Overview

Dominic molded cable trays are sold both in bulk for industrial and commercial applications and individually for smaller-scale or home use. For B2B purchases, prices are generally lower due to bulk ordering, with units starting around \$0.80 and going up to \$76 for specialized or high-quality trays made from materials like stainless steel or fireproof composites. For B2C or smaller orders, prices typically range from \$15 to \$34 per tray, reflecting convenience, packaging, and retail markup.

Factors Affecting Price

- **Material:** Stainless steel, aluminum, and FRP (fire-resistant plastic) trays command higher prices due to durability and compliance with safety standards.
- **Size and Type:** Standard lengths are often 2.4 meters for ladder-type trays, with fittings priced per piece. Molded trays may vary in width and load capacity, influencing cost.
- **Quantity:** Bulk orders reduce per-unit cost significantly, especially for industrial projects or large-scale installations.
