

Factory makes electrical distribution boxes

Article Overview

Several specialized factories manufacture electrical distribution boxes, offering standard and customized solutions for industrial, commercial, and smart building applications.

Leading Manufacturers and Their Capabilities

Wieland Electric provides decentralized and pluggable electrical distribution boxes suitable for power, signal, and I&C applications. Their products comply with IEC 61439 and IEC 61535 standards, offering robust housings for harsh environments, flexible installation, and integration with smart building systems .

ZCEBOX is a Chinese manufacturer specializing in low-voltage electrical products, including distribution boxes, junction boxes, MCBs, and consumer units. They offer OEM and ODM services, with ISO9001 certification and CE, ROHS, IK, and HF compliance. ZCEBOX can produce large volumes at competitive prices and provides customized solutions for global clients .

Nijsha Enterprise manufactures heavy-duty power distribution boxes for commercial and industrial use. Their products feature modular designs for easy expansion, advanced safety features like ground fault and circuit breaker protection, and options for surge protection and remote monitoring .

Projoy Electric Co. Ltd. focuses on smart electrical and power electronics divisions, producing DC isolation switches, MCBs, surge protectors, and smart meters. They emphasize custom specifications, rapid production cycles, and international market reach .
