

Green connector for optical cable

Overview

A Blue connector means UPC (Ultra Physical Contact), which is polished flat. Warning: Never plug a green connector into a blue connector, as this will shatter the glass. Green Fiber Optic Connectors are available at Mouser Electronics. Fiber optic connectors are devices used to terminate the end of an optical fiber and enable quicker connection and disconnection than splicing. Benefit from innovation without compromising on quality and reliability. What Makes GreenConnect Sustainable?

No compromises on performance, full commitment to. This high-performance fiber optic connector coupler is designed for FTTH networks, supporting data speeds up to 10Gbps.
