

Ireland Long Span Bridge

Overview

At 887 metres, the Rose Fitzgerald Kennedy Bridge is the longest bridge in Ireland, crossing the River Barrow at New Ross on three towers. It is one of a number of such proposed fixed sea links across Ireland and Britain. It was built as part of the N25 New Ross Bypass, and was officially opened on 29 January 2020 by Taoiseach Leo Varadkar and opened to traffic on 30 January 2020, becoming Ireland's longest bridge. Roughan & O'Donovan designs long span signature bridges using advanced technical knowledge and modern construction techniques Mary McAleese Boyne Valley Bridge in Co Louth and Co Meath, Ireland. Northern Spire Bridge, Sunderland, UK.
