

Price of Fully Automatic Optical Cable Traction Machine

Article Overview

Fully automatic optical cable traction machines typically range from \$3,000 to \$15,000 depending on specifications, capacity, and supplier.

Overview of Pricing

- Alibaba and AliExpress Suppliers
- Fully automatic fiber optic cable traction machines are available on platforms like Alibaba and AliExpress, with prices generally starting around \$3,000-\$5,000 for standard models and increasing for higher-capacity or specialized units .
- Some listings offer free worldwide shipping and limited-time discounts, but prices may vary based on order quantity and customization options .
- Made-in-China Suppliers
- Optical cable pulling machines with advanced automation, capable of handling 48-144 cores or cables with diameters above 1.3 cm, are priced higher, typically in the \$8,000-\$15,000 range .
- Lead times for standard models are usually 15-30 days, while customized units may require 30-45 days .
- Suppliers often provide CE certification, OEM/ODM support, and after-sales service, including overseas service centers .
- Specifications Affecting Price
- Traction force capacity: Machines with higher pulling force (measured in kN or tons) cost more.
