

# Price of Mobile Power Distribution Boxes and Cabinets

## Article Overview

Mobile power distribution boxes and cabinets range from around \$200 for small portable units to several thousand dollars for high-capacity or prefabricated substations.

### Small Portable Distribution Boxes

These are compact, lightweight units suitable for construction sites, events, or temporary installations. They typically include multiple 230V and 16-32A CEE sockets, integrated FI and LS circuit breakers, and IP44-IP54 protection. Prices for these units generally start at \$200-\$500 depending on the number of outlets, amperage, and brand quality, such as KOOP Elektro or similar manufacturers .

### Professional Stackable and Mobile Units

For industrial or entertainment applications, stackable mobile distribution units from brands like INDU-ELECTRIC offer higher amperage options (16A to 630A) and robust construction with handles, protective edges, and modular stacking capabilities. These units are designed for repeated use and durability. Pricing for these professional-grade units typically ranges from \$1,000 to \$5,000 or more, depending on amperage, configuration, and additional features .

### Prefabricated Substations and Large Cabinets
