

Professional cable tray manufacturer and elbow supplier

Article Overview

Leading suppliers of cable trays and elbows include Vionta, Ebo Systems, Ekabel24, and Superelmech, offering high-quality, standards-compliant solutions for industrial and commercial projects.

Top Manufacturers and Suppliers

Vionta is a global manufacturer and exporter of premium cable tray systems, including ladder trays, perforated trays, wire mesh trays, and custom metal fabrications. They maintain rigorous quality control and provide solutions suitable for heavy-duty industrial applications . Ebo Systems, part of the Niedax Group, specializes in GRP (Glass Fiber Reinforced Polyester) cable trays, offering exceptional resistance to corrosive environments, extreme temperatures, and heavy loads. They provide technical advice, planning, and installation services, making them a full-service provider for demanding industrial sectors . Ekabel24 offers a wide range of cable trays and ladders in hot-dip galvanized steel, stainless steel, and halogen-free plastic. Their products comply with DIN EN 61537 and international standards, suitable for indoor and outdoor installations, and include accessories like elbows for flexible routing . Superelmech provides industrial and commercial cable trays, including perforated, ladder, wire mesh, and solid bottom types. They offer customizable sizes, fittings, and accessories such as elbows, ensuring durability, corrosion resistance, and ease of installation .
