

Ranking of Composite Cable Tray Brands

Article Overview

The leading composite (fiberglass-reinforced) cable tray brands include ALOIS Composites, Oglaend System Group, MP Husky, Enduro Composites, and FiberTech, recognized for durability, corrosion resistance, and industrial reliability.

Leading Brands and Profiles

- ALOIS Composites – A North American manufacturer specializing in high-performance fiberglass reinforced plastic (FRP) products. Their cable trays are highly resistant to corrosion, making them ideal for chemical plants, water treatment facilities, and coastal installations .
- Oglaend System Group – Part of the global EDP Group, Oglaend System offers a complete portfolio of fiberglass cable management solutions. They are known for safety, longevity, and ease of installation across Europe and international markets .
- MP Husky – A US-based manufacturer providing high-quality fiberglass cable support systems. Their products perform well in corrosive and high-moisture environments, serving industrial plants, utilities, and communications providers .
- Enduro Composites – Produces a broad spectrum of fiberglass products, including cable trays valued for their strength-to-weight ratio and non-conductive properties, suitable for sectors prioritizing electrical safety and corrosion resistance .
- FiberTech – Focused on fiberglass reinforced polymer products, FiberTech specializes in cable management solutions that combine durability with lightweight design, supporting industrial and commercial applications .
