

Specifications for a Home Four-Way Distribution Box

Overview

Compact 4-way waterproof distribution box, IP65 protection for reliable performance. Bottom opening design for easier installation and maintenance. These boxes are essential for maintaining organized, reliable, and scalable infrastructure in residential, commercial, and industrial. Upgrade your indoor electrical setup with this elegant and compact 4-way distribution box, designed for safety, durability, and a clean look. It is made of high impact resistant material. Protection: disconnects faulty circuits through breakers, fuses, RCDs, RCBOs, or other devices. Proper sealing and grounding are critical for long-term safety and compliance.
