

Where can I find Belgian cable tray troughs

Article Overview

Belgian cable tray troughs can be sourced from specialized local manufacturers like Trayco and Delaby Electro, offering high-quality metal and mesh cable management systems.

Belgian Suppliers

Trayco is a Belgian company specializing in cable trays, mesh trays, cable ladders, and mounting systems. They provide 100% Belgian-made products and offer project advice, customized solutions, and installation guidance, making them a reliable choice for both standard and tailored cable management needs (Trayco) . Delaby Electro offers a range of metal cable trays suitable for robust electrical installations. Their products ensure secure and organized cable routing, with options for scalable and durable setups. Orders can be placed directly through their website, and they provide support for selecting the right tray for your project (Delaby Electro) .

Additional Options

HAURATON provides cable trough systems designed for safe and flexible cable management. Their troughs are available in precast concrete or recycled composite materials, with solid covers and boltless locking systems for easy installation and maintenance. These are suitable for industrial, commercial, and large-scale infrastructure projects (HAURATON) . Legrand offers Cablofil steel trough trays, which provide secure cable routing and limit unauthorized access. Their products are suitable for residential, commercial, and industrial applications, with a variety of sizes and materials to meet different project requirements (Legrand) .
