

Wholesale of 24-core fiber optic cable from Estonia

Article Overview

Estonia offers multiple options for sourcing 24-core fiber optic cables, including local manufacturers and authorized distributors.

Key Manufacturers and Suppliers

Hexatronic Tallinn operates the largest fiber optic termination facility in the Baltic and Scandinavia, producing high-quality fiber optic cables and assemblies. Their Tallinn site ships products across Europe and serves telecom operators, network owners, and installers, making them a reliable source for bulk orders . Astrec Baltic specializes in fiber optic and telecommunication network infrastructure components, offering a wide range of products and services for fiber optic installers, including multi-fiber cables suitable for wholesale procurement . Fineltec is another Estonian manufacturer with over 25 years of experience in producing fiber optic cables and solutions for telecommunications, emphasizing quality and efficiency .

Authorized Distributors

Mouser Electronics Estonia provides a broad selection of fiber optic cables, including 24-core options. They offer inventory, datasheets, and pricing for bulk purchases, making them suitable for businesses seeking standardized products from leading manufacturers like Broadcom and Banner Engineering . Fiber24.net lists specific 24-core loose tube outdoor cables (OS2, SC/UPC) with rodent protection and pulling aids, available from 100 meters per drum, which is ideal for wholesale or large-scale installation projects .
