

Zimbabwe Fiber Optic Distribution Cabinet 8 Cores

Overview

Scoop 8 Core Fibre Distribution Box FB-D8 Scoop's FB-D8 indoor/outdoor enclosure is designed to house a 1-8 port splitter ideal for FTTX applications. The box is not only used in waterproof situations, but also can be used for indoor cable deployment by replacing ordinary pna. Our FAT-8T 8 core fiber optic termination box brings you seamless integration and efficiency to FTTx network systems. With the capacity to accommodate up to 8 subscribers, it serves as the termination point for the feeder cable. You can connect it with the drop cable. Supporting ICT professionals, resellers, and network engineers across Zimbabwe for over 15 years. Partnering with Zimbabwe's leading system integrators and telecom operators for seamless connectivity.
